

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together, it explains how parents and teachers will work together to make sure all our students reach grade level standards.

Effective compacts:

- Link goals of the school improvement plan.
- Focus on students learning skills.
- Share strategies parents can use at home.
- Explain how teachers and parents will communicate about student progress.
- Describe how teachers will help students develop those skills using quality instructions.
- Describe opportunities for parents to volunteer or observe in the classroom.

Jointly Developed

The parents, students and staff of Mundy's Mill Middle School, developed this School Parent Compact for Achievement. Teachers suggested home learning strategies, parents added additional ideas to make them more specific, and students offered us suggestion on what would help them learn. Meetings are held annually to review the compact and make and revise strategies for this School-Parent Compact or Achievement as needed based on the changing needs of the students.

Parents are welcome to contribute comments at any time.

If you would like to volunteer and /or observe in the classroom, please contact :

Patricia Dickerson

Building Partnerships

Mundy's Mill Middle 6th grade teachers will work with students and their families to support student success by strengthening reading comprehension and numeracy skills as well as math calculation and reasoning skills.

Family Literacy Night in which parents will learn the writing process that students utilize in school in order to establish common techniques and provide techniques for assistance at home

Family Math Night in which parents will learn the math processes that students utilize in school in order to establish common techniques and provide techniques for assistance at home.

Links for enrichment and remediation activities which can be used by the entire family are listed below:

www.studyjams.com

www.edmodo.com

www.brainpop.com

Additional family fun learning opportunities will be provided throughout the school year and detailed information will be provided.

Communication About Student Learning

Mundy's Mill Middle School is committed to frequent two-way communication with families about children's learning.

- Updates on the school websites and a link to Infinite Campus
- Provide frequent student progress report to parents (issued every 4.5 weeks)
- Provide Parent-Teacher conferences annually, during which the compact will be discussed as the compact relates to the individual child's achievement.
- Provide reasonable access to staff, opportunities to volunteer and to participate in their child's classroom, and observation of classroom.

Revised: September 27, 2017

2017-2018 District Goals

All schools in the district will increase district scores by 3% each year for the next five years measured by the College and Career Readiness Performance Index (CCRPI)

2017-18 Mundy's Mill Middles School Goals

Mundy's Mill Middle School will increase its College and Career Ready Performance Index (CCRPI) score to 60.36. Mundy's Mill Middle School will incorporate literacy and numeracy across the curriculum.

"Committed to High Performance"

In Our 6th Grade Classrooms

- ◆ Use of mathematics readers to increase comprehension and vocabulary.
- ◆ Family Math Night in which parents will learn math processes that students utilize in school in order to establish common techniques and provide techniques for assistance at home.
- ◆ Links on the class website: www.connected.mcgraw-hill.com/
- ◆ Provide an Edmodo page for enrichment and remediation activities which can be used by the entire family.
- ◆ The use of MyON an Lexile electronic reading program. <https://thefutureinreading.myon.com/>
- ◆ Foster learning by providing tutorials for struggling students and /or students desiring extra assistance.
- ◆ The media specialist will provide research skills to the 6th graders using technology and library resources.
- ◆ Use of gizmos, an interactive website designed to give students opportunities for hands on learning in mathematics, and current events.

Vision

The vision of Clayton County Public Schools is to be a district of excellence preparing ALL students to live and compete successfully in a global society.

Mission

The mission of Clayton County Public Schools is to be accountable to all stakeholders for providing a globally competitive education that empowers students to achieve academic and personal goals and to become college and career ready, productive, responsible citizens.

At Home

Mundy's Mill parents will join staff to develop ideas about how families can support students success in reading and math.

Utilize Edmodo to connect students to the resources need to reach their full potential.

Utilize the McGraw Hill website to assist student learning. www.connected.mcgraw-hill.com

Utilize Edmodo for remediation and enrichment activities at home.

Use MyOn at home to help increase literacy skills.

Set aside a designated time and location for home work which will be reviewed daily by a parents or guardians.

Set aside a designated time and location for students to read aloud to parents, discuss the content, and review vocabulary words as well as non-fiction news articles.

Have daily open discussions with students about their learning experience in all subjects.

Mundy's Mill Students

Work towards the successful completion of the learning objectives and standards in all classes.

Share information that was taught in all subjects with parents regularly.

Read for enjoyment and to increase reading skills. Share and discuss the content of readings with parents.

Openly communicate with teacher and parents about problems or concerns with class assignments in all academic classes.

Use online resources provided to help me academically.
