Dear Parents/Guardians,

The purpose of the letter is to solicit the support of our parents in protecting classroom instruction time by reducing the distractions brought on by student's misuse of social media. In recent days, several students have come to the office and/or caused a disruption in the learning environment to resolve conflicts that began on social media. Such actions always result in the loss of valuable instruction time for the students involved. **These disruptions are unacceptable.**

Our students will be required to take a newly designed, rigorous, high-stakes assessment in approximately 25 school days. **The focus for our students should be academics and their overall success in school.** I am requesting that our parents assist us in helping our student to prioritize the importance of academics and decrease the distractions arising from any "messy and insulting" comments made on social media to each other.

At Mundy's Mill Middle, we are committed to providing a quality educational experience for all of our students. Our mission states that by "working hand in hand with the Mundy's Mill community" we can help our students "exceed academic and personal goals... in a supportive environment... with high expectations for all." As always, thank you for your support.

Educationally yours,

Sharra S. Cunningham
Principal

Mundy's Mill Middle School Mission Statement

Working hand in hand with the Mundy's Mill community to exceed academic and personal goals by linking learning to life in a supportive environment with high expectations for all stakeholders.
