Greetings Parents,

Mundy's Mill Middle School is committed to providing our students with a safe and secure environment for learning. In order to maintain this level of safety, we will from time to time institute random searches including the use of metal detectors, sniffing dogs or other detection devices. We encourage parents to review the Clayton County Public Schools Parent/Student Handbook to ensure that students do not bring unauthorized items or items that threaten the safety of themselves or others to school. Such items may include alcohol, drugs, tobacco, weapons, metal picks, combs with metal pick handles, can/glass bottled beverages, knives with blades of two or more inches, etc. Unauthorized items will be confiscated and the appropriate disciplinary action will be taken.

It is our belief that learning is a continuous process and should be afforded in a safe and physically comfortable environment. We appreciate the support of our parents/guardians and thank you for entrusting your student to us.

Sincerely,

Sharra S. Cunningham  
Principal
