## **Parental Involvement Budget Survey Mundy's Mill Middle School Clayton County Public Schools September 7, 2017**

Dear Parents,

We value your input! As a parent of a child who receives Title I services in our school, you have the right to give input about how the school district budgets and spends its Title I Parental Involvement money. Over the last few weeks, our school held various meetings with parents to revise our school's parental involvement policy for next school year. We hope you had the chance to participate in one of these meetings. In the meetings, we discussed the following:

1. Parents stated that they like having a Title I Parent Liaison who is a liaison for them and provides parent engagement opportunities at the school.
2. Parents have asked for a place at the school where they could meet and learn how to better support their child's learning.
3. Parents asked for more resources on how to help their child at home.
4. Parents would like to have a workshop on helping their child with math and language arts.
5. Parents would like to have family activities to encourage learning.

We have \$2956.00 in the Title I Parental Involvement budget. Last year, we spent the money this way:

This year, given our parents' request to have a space where they could meet and learn how to better support their child's learning, we would like to maintain our parent resource center at the school. In addition we would like to continue to spend money towards supplies and materials for the parent resource center. We would like to spend the Title I Parental Involvement budget this way:

Do you agree with how we have budgeted parental involvement funds for this school year?

- Yes
- No

If no, why not?

---

Do you have any other suggestions for the use of funds? These will be taken into consideration for this school year and future school years.
